A photograph of two women, Anastasia and Bijou, in black lace lingerie. They are kneeling on a white bed, embracing each other. The woman on the left has long brown hair and is wearing a black lace bodysuit with a crisscross pattern. The woman on the right has long black hair and is wearing a black lace bra and thong. They are both looking down with soft expressions. The background is a light pink wall.

Private lessons

It's our turn in front of the camera today and we're ready to rock it. We shaved carefully down there. OK, we were nervous. But when we started filming and having sex, it left our minds and we focused on each other, which was very nice and we stayed wet throughout the day. I'm **Anastasia** and she's **Bijou** and we just got our freak on.

PASSION AND PLEASURE

Classes were over and I headed back to my dorm room. My name is Nichole and I'm a senior with a major in 16th Century Italian Literature at a prestigious Ivy League university.

My roomie and best friend is Emilie. She's a junior with a major in Pre-Templar Portugese History. We're not really as geeky as our majors sound. We just want the opportunity to travel after our stint at collegel was over.

I'm the first one back and I throw my books on the floor next to the books from yesterday's classes. I can't wait to get out of all these clothes, so I strip down completely, fix myself some popcorn, pour a glass of soda, and settle on the sofa. I love eating popcorn naked, watching TV. Emilie would be coming home any minute. Her class ends about fifteen minutes after mine. So I'm sitting naked on the couch, softly stroking my bald pussy and watching a little TV while I impatiently waited for her.

When I heard the sound of a key in the door, I spring to my feet and as soon as she had entered the door I was on her. No words were spoken; I wrapped my arms around her, looked lustfully into her eyes and kissed her sexy lips. The way she kissed me back had my body just wanting to melt into hers. Our tongues played together in each other's mouth; our breathing got faster

and at the same time carried our moans for each other. She grabbed my bare ass and pulled me even tighter to her, juices from my already aroused pussy were running down my inner thigh. I broke away and told her to get rid of her books.

I pulled her back close to me and after some more lust-filled kissing and our boobs pressed so tight together, I slide my hands under her blouse. Braless, I found her hard little nipples with my fingers; she let out a soft moan, and tilted her head back. One of my hands was massaging a boob as my mouth moved lower down her neck. I pushed her blouse up to where it was bunched up above her breast as my lips quickly foundd her hard nipple. Softly kissing and then sucking it, before moving on to the other.

I slid my hand down her tummy and found the button to her jeans. I unbuttoned her jeans, while my mouth was busy on her boob. Slipping my hand inside, I was pleased to find her not wearing any underwear at all, and just as I expected, she was quite wet for me. She

**FRESH UP
YOUR DAY**

took a deep breath as my fingertips parted her pussy lips and slipped one gently inside her.

I crouched in front of her and while I was covering her tummy in kisses and licks, my hands were pulling her jeans off her hips. Her hands were running through my hair, and urging me to go lower. Her jeans were on the floor at her feet, and as my kisses and licks moved lower, she stepped out of her jeans to spread her legs for me. I covered her pussy with my mouth and she immediately pressed into me. I plunged my tongue in her as deep as it would go, tasting that cream filled center of hers. I collect my tongue for another assault and in one slow long lick, I licked from her creamy pussy, to her clit, across her mound, over her bellybutton, between her breasts, up her neck, and found her lips with mine. We melted into each other as we kissed, letting her taste her own juices on my tongue and lips.

I steered her towards the sofa but only got as far as the large oak coffee table in front of it. Once her butt hit it she quickly hopped up on it, and spread her legs for me to stand between. She then leaned back I was kissing down her neck again as she was gently rocking her hips and grinding her wet pussy into me. With a smile I reached into my soda glass and pulled out a large ice cube. With a naughty smile on my face I reached out and slowly traced it down her neck, over her shoulder, across her chest, onto her perfect breasts, across her left nipple. Her wet little nipples were rock hard, and dying to be warmed back up as the water left behind by the ice cube ran down her body.

When my lips reached her nipples, I make sure to get all the water off them and warm them up properly. Kissing back up her neck, making sure to warm her up with my tongue and lips, our lips then found each other's. Her hands reached out and started playing with my boobs. My nipples were so hard as she played with them and

pinched them. Stepping back again, I slowly traced a line down her body with the ice cube, starting at her neck, and ending at her bald pubic mound. Then tracing the cube up and down both sides next to her pussy, and finally ending with it pressed and melting against her clit.

Softly I licked her mound and then licked next to her pussy on both sides, ending with my lips on her swollen clit and softly sucking it. She was wiggling her butt trying to get me to lick the rest of her pussy, as I pulled

away again. Opening the drawer under the coffee table, I pulled out a cute red vibe. It was only about four inches long, but put out a good buzz. Emilie looked at the vibe and quickly said, "Grab two, I have two holes!"

My jaw dropped. I reached back in and grabbed a second vibe, this gold-colored one was bigger than the first. I twisted the bottom of the gold one and it sprang to life in my hand. I slowly toyed around her pussy with it, running it around her pussy, through her folds and teasing her clit. I dipped the tip inside her, pulling it out and reinserting it as I fondled her boobs. I move my mouth down her body to where the vibe was pleasuring her. She softly moaned, running her fingers through my hair as I licked deep in her pussy. My face was covered in her juices, as I pushed her legs high in the air so that I could tongue that cute little butthole of hers.

Some of that yummy juice from her pussy had run down to her butthole, so I cleaned that up and probed her little butt with my tongue. Her butthole nice and lubed up with my saliva, I took the small vibe, twisted it on with one hand, and slowly slid it in her butt. With a deep breath she immediately pressed her butt down to meet it. I then went back to licking her pussy and fucking her with the gold one while slowly fucking her sweet little ass with the red vibe. My pace on the one in her ass was getting faster and deeper. I could tell she was getting close

to orgasm. She began rocking her hips to match my thrusts with the vibes in both her holes. My lips latched on to her clit and sucked it for all it was worth. In a matter of moments she was cumming all over me.

Still fucking both her holes and sucking her clit, she let out a squeal, arched her back, and curled her toes as she came. I pulled the gold one out of her and covered her pussy with my mouth, licking up her juices as she came while still fucking her ass with the other. Her juices flooded my mouth, and I kept softly licking long after her orgasm had subsided, smiling at the look of satisfaction she had on her face and at how much I enjoyed pleasing her. Once she regained her composure, and I had licked up most of her juices, she sat up. She grabbed my face and with a smile pulled me to meet her lips. Passionately we kissed, my tongue, lips, and face covered in her juices.

After cleaning her juices from my lips and face, she gently pushed me back, giving her room to hop off the table. She took me by the hand and guided me to lay down on the sofa. Then she went to our little kitchenette and pulled a bottle of chocolate syrup out of the refrigerator, she knelt down next to me and we started kissing again. With a naughty smile she started squirting it on my breasts, down my tummy, and on my wet pussy. With both hands she smeared the chocolate syrup all over my breasts and tummy. My breasts looked like two scoops of ice cream covered in chocolate with cherries on top, and that's exactly how Emilie treated them. Starting at the bottom of each scoop, she licked her way up, and gave my cherry nipples a little suck every time she reached them. Oh, it felt so good. Some of the chocolate had gotten on her face so, I pulled her to me, kissed her lips and licked the chocolate off her cheek.

Emilie then lowered her kisses, reaching my belly button. She swirled her tongue in it and licked it out. As her

kiss reached my panty line, it began to tickle a little, which caused me to lift my butt off the floor and almost push my pussy into her mouth. Her kisses reached my bald mound; I let out a gasp this time instead of reacting to a tickle; I so wanted her mouth on my wet warm pussy. Her tongue softly licked around my pussy, but never touched it. Everywhere her tongue went, I tried to push my pussy toward it, hoping she would give it the lick it so badly needed. Finally she licked it, and when her wet tongue parted my

folds I nearly came. My pussy was so wet and creamy for her, and it felt so good having her tongue in me.

Emilie climbed between my legs as I spread them wide for her. She started to lick where she had left off, on my chocolate syrup-covered pussy and started licking it like an ice cream cone. I took a deep breath; yes, finally; I needed to cum! Her tongue never penetrated me deeply like I wanted, she was still teasing me. She pushed my legs in the air and I held them for her as she began licking the chocolate that had run down to my buttock, swirling her tongue around it and probing it. She found the red vibe and positioned it at the entrance of my butt and slid it right in. As soon as I felt it I pressed down on it, in an attempt to help her put it in deeper. Her mouth then went to my pussy, and plunged her tongue deep in me, as she slowly fucked my ass with the vibe. Then she grabbed the gold vibe and plunged it in my pussy. Her pace on the vibes in both my holes quicken and the orgasm I so needed was quickly coming.

Her mouth was sucking on my swollen clit. I was cumming, my head was spinning as the waves of orgasm rippled through my body. We wilted into each other, sliding our chocolate-covered bodies against one another. Holding each other we cuddled and softly kissed for the next several minutes and commented how lucky we were to both have such a hot and fantastic lover. Emilie, you're wonderful. Stay that way!

I had to have it when I saw it so I bought this Shi-Shi for Angel and me. We couldn't wait to try them. We controlled each part individually and the motors were surprisingly powerful. And it contoured to each of us. Nice touch!

The Shi-Shi Union Vibe is the first vibrating pleasure product designed to be used by a female couple. Two powerful, independently controlled motors are housed in a soft silicone, body contoured casing that moves specifically to each partner.

Features:

- Product Material: Silicone

A photograph of two women with long, wet, blonde hair kissing passionately in a shower. They are standing on a light blue tiled floor. The woman on the left is wearing a small hoop earring and has her hand on the other woman's chest. The woman on the right has red nail polish and is also touching the other woman. A showerhead is visible in the background on the right.

Wet but still dirty

I'm **Tyler** and my best friend here is **Madison** and she's a bit over-sexed. What's strange is that I never thought of myself as a lesbian until she and I had been doing each other for more than six months. Then it just hit me out of the blue: I like girls! Or at least, I like Madison. Now I just can't stop thinking about banging her. We are gonna soap up because we still feel pretty dirty!

A photograph of three women standing outdoors in a wooded area. They are dressed in military-style clothing: olive green tank tops, black t-shirts, and camouflage crop tops. They are wearing bandanas (brown, green, and green) and holding large, colorful water guns (yellow, blue, and blue). The woman on the left is looking back over her shoulder, the middle woman is looking forward, and the woman on the right is looking forward with a slight smile. A yellow water gun is also visible hanging from the middle woman's waist.

When girls play with toys

Boys aren't the only ones with big toys, the kind they like to spray us girls with. Notice, our big toys in the photos. That's because we're waiting for your cock. Let's get warmed up, prime the pumps, wet things up a little, and then we'll be ready for you. So sit and let **Rachel, Louisa** and **Scarlett** do the things you like.
